The Largest Construction Exhibition of Uzbekistan

Building your route to success!

Founded in: 2000

Status: International exhibition approved by the Global Association of the Exhibition Industry (UFI)

Ranked No. 1 among construction exhibitions in Central Asia by scale, number of exhibitors and visitor attendance

The exhibition showcases every stage of the construction process – from initial concept and design to project completion – highlighting current industry trends, evolving requirements, and the latest construction technologies, equipment and materials. It also provides a professional platform for a productive dialogue among industry stakeholders at all levels.
